IT EXPERTS

X2 TECHNOLOGIES — will provide you with up-to-the-minute best practices to serve your company's unique IT requirements

About X2

X2 is an IT consulting group headquartered in the San Francisco bay area. We are businesspeople, technology architects, strategists, and implementers of solutions for large enterprise as well as for business owners without an IT staff.

The information technology landscape is evolving at a rapid pace. Choosing X2 to be your trusted partner for technology expertise, strategy and implementation will help you realize the value of your IT infrastructure.

Our team of experts provide a virtual CTO function and will assist you in:

- ⌘ IT Strategy
- ⌘ Budgeting
- ⌘ Information Architecture
- ⌘ Technology Management
- ⌘ Systems Integration

Typical project types:

- ⌘ Data center design
- ⌘ Design and implement data/telecom networks
- ⌘ IT Outsourcing
- ⌘ International IT/Telecom
- ⌘ eGovernment/eCommerce
- ⌘ Install enterprise-wide IT infrastructure security systems

Why choose X2

Our vision is to innovate beyond expectations.

Our mission is to connect people and ideas through innovative strategy, design, and technology. We immerse ourselves in the client's industry, challenge the convention and invent the solution.

We assist companies in the development and improvement of their strategies, objectives and tactics. In addition to providing expert analysis and advice on complex technological issues, our experts apply forward-looking strategies to help you expand market share, lower costs and increase profitability.

We know what works

As technologists, we know what works and what doesn't. Our team of experts draws from a large pool of enterprise class experience, avoiding the costly mistakes that others may make.

As businesspeople, we know what works and what doesn't from a financial perspective. Our goal is to build the right solution, at the right time, at the right price for our clients.

Our delivery process produces solid objectives and measurable project tasks. The entire process is managed from inception, to budgeting, implementation, support, and idea generation for the next phase.

Our customers utilize our services at every level; from CXO, to systems administrators. We provide objective analysis and professional expertise comparable to that of much larger firms.

What would X2 do for your company?

Our clients include Fortune 1000 companies, financial service firms, retailers, and real estate companies. Each optimized operation scenario that we provide to clients is the result of a trusted partnership which begins with a telephone call.

Talk to the experts at X2

G E N E R A L S U M M A R Y

SOCKEYE—Restaurant and Fish Market will be a seafood restaurant and bar which additionally features a fresh fish retail market. We will strive to offer only the highest quality seafood in a casual and comfortable atmosphere. Our menu, which will be updated daily, will reflect seasonal changes. This will enable SOCKEYE to be Lamorinda's premier purveyor of the freshest seafood prepared with the finest ingredients. The exhibition kitchen will provide an evening's entertainment for those dining at the counter, as they watch their fresh fish broiled to perfection on the mesquite-fired grill.

For those preferring to dine at home, our fresh fish market staff will assist in selecting from the full spectrum of fresh seafood offered in our retail market. Our staff will be committed to providing customers with the utmost attentive, courteous and knowledgeable service.

SOCKEYE will become a neighborhood establishment offering exceptional food and service in a relaxed and inviting environment.

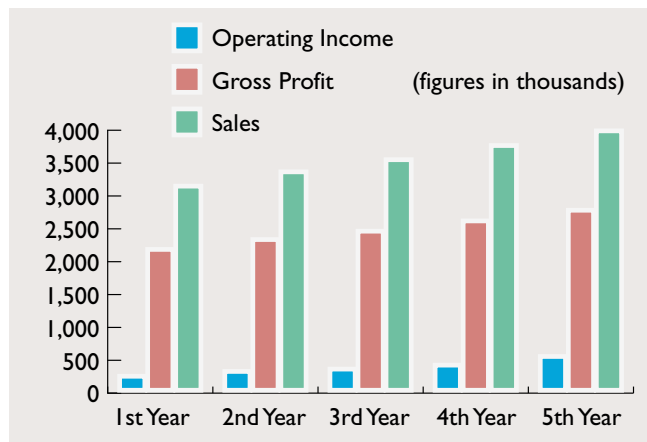

B U S I N E S S S U M M A R Y

By providing a superior quality seafood dining experience, restaurantuers Andrew McCormick and Charles Engs intend to make SOCKEYE the premier finer dining destination in the charming community of Lafayette, California. Centrally located in this Jewel of the East Bay, the restaurant benefits from its proximity to shopping and town center buildings.

SOCKEYE will attract and keep it's customers. Consider these exceptional features:

- Seafood Specialty Menu of delectable chef preparations
- Highest quality and picturesque fish market
- Stylish raw bar and full service classic beverage bar
- Comfortable and stylish atmosphere
- Attentive personable service and family-welcoming attitude
- Proven management team
- Exciting investor benefits program
- Exceptional "location-location-location"

COMPANY HISTORY

A RECIPE FOR SUCCESS

Andrew McCormick & Charles Engs are pleased to announce their latest joint venture: SOCKEYE—Resaurant & Fish Market, in charming Lafayette, California.

Utilizing experience from their wildly successful City Tavern at the Fillmore triangle in San Francisco Andrew and Charles are defining a new vision for an upscale, yet family-friendly dining experience: SOCKEYE—Restaurant & Fish Market.

Like the City Tavern, SOCKEYE will be a spacious, warm and stylish destination that will deliver a first class dining experience. The addition of a quality fish market will serve to complete the desired effect.

SOCKEYE will be a 200 seat dinner house with a full service bar and fresh fish market. The address at 3600 Mt. Diablo in Lafayette is conveniently located and is easily accessible via BART and public transportation.

C O M P A N Y H I S T O R Y

M I S S I O N S T A T E M E N T

To provide the highest quality dining experience for our customers while improving the business success of our partners and employees through efficient management, superior quality food and beverage service, in a stylish, comfortable, atmosphere.

We believe:

- ...it is our duty to extend **Courtesy** to our guests.
- ...that **Attentive Teamwork** is essential to the achievement of our goals.
- ...each of us is **Responsible** for the quality of the dining experience.
- ...that with **Sustained Effort** we will succeed.
